## PERSONAL STATEMENT

An ambitious problem solver with a passion for website business, and who would like to join a team of like-minded developers. Hasnain has much experience of creating logical and innovative solutions to complex problems. He is thorough and precise in everything he does, and has a keen interest in technology, websites and user experience. As someone who takes responsibility for his own personal development, he is continually evaluating and upgrading his skills so that he stays at the cutting edge of web development. He is a natural problem solver, who has proven himself by successfully completing projects for IT consultancies, web design agencies, and IT departments.
